MYTON LAW

Myton Law is a niche firm of specialist shipping, rail and logistics lawyers committed to providing timely, expert, pragmatic legal advice.

Led by highly experienced lawyers with national reputations in their fields, we have a strong team of bright professionals and an impressive network of likeminded overseas lawyers, all of whom combine first class legal knowledge with commercial acumen to give you the best advice.

Based on the Humber, the UK's largest ports conurbation by volume and centre of

excellence for offshore wind, we are in a great location to serve UK clients in our specialist sectors.

But our work stretches far beyond. With our understanding of international trade, logistics and insurance law we also work for clients across the world.

We look forward to working with you.

"commercial and solution-orientated"

"excellent all-round and provide London standards at a very competitive cost"

"proactive and responsive"

INSURANCE

Myton Law has a wealth of experience of just about every species of insurance policy, acting for both underwriters and insureds, and advising brokers.

We understand the way the insurance industry operates, recognising the tensions that can arise when the interests of both parties to the policy don't coincide.

Our insurance expertise covers:

Marine

- Cargo
- Hull and machinery
- P&I
- Yachts

Non-marine

- Goods in transit
- Warehouse keepers
- Commercial property
- Commercial combined

Other

- Insurance fraud
- Policy wordings
- Insurance broker's rights and obligations
